

CLINICAL GUIDELINES

Topic	Adult/Pediatric Asthma
Guideline Title/Source	Title: Asthma Management for Children and Adults (age 5+ yrs) Source: Health Team Works
Guideline Link	http://www.healthteamworks.org/guidelines/asthma.html
Guideline Original Date	Unknown
Guideline Most Recent Revision Date	10/17/2012
Guideline Summary <i>(Summarize guideline and updated information)</i>	HealthTeamWorks developed a 2-page summary of guidelines based on the 2007 Expert Panel Report 3 from the National Heart, Lung, and Blood Institute and National Asthma Education and Prevention Program. Included in the guidelines are diagnosing asthma, assessing severity and control, and stepwise approach to therapy. Not included are the guideline recommendations for children under 5 years of age.
